

## Pasture Walk Planned for September 8

Join us for a pasture walk and talk Thursday, September 8 from 6-8 pm at Al-Noor Farm, 2027 Langdon Rd, Lewiston, NY. They are new to farming and would like to share their progress so far. They are building fences, setting up paddocks, and renovating a barn for their goat herd. They will be targeting their meat to ethnic customers through on-farm Halal and Kosher slaughter. This will be a great opportunity to learn about goats and grazing as well as share your expertise with others.

Cornell Cooperative Extension, Niagara Soil & Water Conservation District, and Natural Resources Conservation Service have been providing early guidance to the farm and are organizing the event.

The pasture walk is free, but preregistration is required by calling Cornell Cooperative Extension at 716-433-8839 or emailing [djf18@cornell.edu](mailto:djf18@cornell.edu) by September 6. A meal will be provided by the farm.
