

CEO Site Plan Review Training

November 9th, 2021

6:00 PM - 8:00 PM

Lockport, NY

This training is in partnership with the WNY Stormwater Coalition to provide training for municipal officials in MS4 communities. The Niagara County Soil and Water Conservation District is also offering this to municipal officials in non MS4 communities dealing with site plan reviews for large developments especially Solar and Wind Farm projects.

This training covers both technical and regulatory aspects of stormwater management and erosion control, and is open to anyone including municipal officials, developers, contractors, non-profit organizations, and others.

With this presentation the NYSDOS is allowing two (2) *Professional Development Elective* (PDE) hours for municipal officials who attend this training.

Contact the NYSDOS for further information to appropriately log your PDE's.
